Q.1 Read the following passage carefully and answer the questions (1×10=10)

Read the passage carefully and answer the questions. Riya loved visiting her grandmother's village which was surrounded by green fields, tall trees, and a small stream. One morning, Riya woke up early to watch the birds. Her grandmother watered the plants and fed the cows. One day, while walking near the river, Riya noticed some fresh vegetables. The basket was too heavy for him, so they carried the basket to the boy's house. His mother gave her fresh guavas from their garden.
