SUB: QUOTATION FOR THE PURCHASING/INSTALLATION/UP GRADATION OF CCTV CAMERAS.

Dear Sir/Madam,

Please send your quotation for the purchase, installation and up gradation of CCTV with maximum rate of discount as per the term and condition:

1. The rates quoted should be F.O.R. Govt. College Barsar (H.P.), inclusive of supply, installation, testing, and commissioning charges.
2. The quoted rates must be for branded and latest technology CCTV systems (IP-based/HD cameras), and the maximum possible discount should be clearly mentioned.
3. The rates should be inclusive of all components, including cameras, NVR, storage devices, cabling, connectors, power supply, monitors (if any), and all accessories required for complete installation (Detail of Items required-Annexure-I).
4. No separate charges shall be paid for transportation, installation, cabling, configuration, or system integration.
5. GST or any other applicable taxes will be paid as per Government norms and must be clearly indicated in the quotation.
6. The quotation shall remain valid up to 31st March of the current financial year.
7. The quotation, complete in all respects, must reach this office within 15 days from the date of issue, but not later than 17/04/2026 up to 03:00 PM. The envelope containing the quotation must be properly sealed and superscribed as: "Quotation for purchasing/installation CCTV Cameras". The quotations will be opened on 18/04/2026 at 11:00 AM.
8. Payment will be made within a fortnight after successful installation, testing, and commissioning of the system, subject to completion of all codal formalities, through RTGS/NEFT (PFMS registered account).
9. The undersigned reserves the right to accept or reject any quotation or cancel the process at any stage without assigning any reason.
10. Only GST-registered vendors will be preferred. The GST number must be clearly mentioned in the quotation.

Principal
GC Barsar (HP)

Additional Term and conditions:

1. The vendor must conduct a site survey before quoting and submit a proper layout/installation plan indicating camera locations and coverage.
2. The system should include high-resolution cameras (minimum 2MP/4MP or higher) with night vision and weatherproof (IP-rated) features where required.
3. The NVR must support adequate storage (minimum 15–30 days recording backup) with remote access facility (mobile/desktop viewing).
4. The vendor must ensure mobile app/remote monitoring access for authorized users.
5. A minimum 1 years warranty on all equipment must be provided.
6. The vendor must provide free installation, configuration, and demonstration of the system.
7. Training for staff regarding operation and monitoring must be provided without extra charges.
8. All wiring should be concealed/properly managed and installed neatly without damaging existing infrastructure.
9. In case of any fault during the warranty period, the vendor must ensure prompt service within 24–48 hours.
10. The system should comply with latest security and surveillance standards and should be scalable for future expansion.
