FROM THE DESK OF THE PRINCIPAL

Greetings to all from Government College, Dhaneta, Hamirpur, Himachal Pradesh!

Government Degree College Dhaneta is dedicated to nurturing an exceptional academic environment for its students. Alongside academic excellence, the college embraces the responsibility of fostering the spiritual, mental, and physical well-being of its learners. We are committed to cultivating positive thinking, empowering students to become exemplary citizens and individuals.

Students are encouraged to make full use of the college's resources, including its knowledgeable faculty, well-stocked library, and modern smart classrooms. True education not only enhances skills and analytical abilities but also builds confidence and instills a forward-thinking mindset, enabling individuals to drive positive social change and contribute meaningfully to their communities.

Our mission is to establish a secure, supportive, and innovative learning atmosphere that equips students with the ability to solve problems effectively, think critically, and develop a lifelong passion for learning. The college also offers a wide range of extracurricular activities — including NSS, Rovers and Rangers, Eco-Club, Sports, Road Safety Club, and more — fostering holistic development. We uphold a strict policy of zero tolerance against ragging, caste or gender discrimination, eve-teasing, or bullying, ensuring a safe and inclusive environment for all.

Government College Dhaneta proudly embodies the essence of the Brihadaranyaka Upanishad maxim "*Tamso Ma Jyotirgamaya*" in its logo, meaning "*Lead me from darkness to light.*"

I extend my sincere appreciation to all stakeholders of our institution for their unwavering support and proactive contributions to our achievements.

Finally, I wish to share a few words with our students, hoping they will carry them throughout their academic journey: "*Trust in yourself. You are braver than you think, more talented than you realize, and capable of more than you imagine. Do not consider yourself weak — you can achieve everything you set your mind to. All depends on your hard work and self-discipline.*"

Swami Vivekananda rightly said: "*If you think yourself weak, you will be weak. If you think yourself strong, strong you will be.*" Always believe that you are stronger than any strength!

Welcome, dear students of the 2026–2027 batch Wishing you all the very best as you embark on this new chapter of academic and personal growth.

(Dr. Gian Chand Rana)

Principal

Government Degree College Dhaneta

District Hamirpur (H.P.)

THE COLLEGE

Government Degree College Dhaneta is situated in the village of Dhaneta, across the State Highway, just 500 metres from the town on the Hamirpur–Nadaun road, and only 23 km from the district headquarters Hamirpur — the first and most literate district of Himachal Pradesh. The sprawling campus covers 1.74 hectares in sylvan surroundings, blessed with unmatched serenity. The whispering pines and mighty trees inspire students and add to the natural beauty, enriching both the academic and professional atmosphere of the institution. The legendary town of Dhaneta itself carries a rich history and heritage, once associated with the Pandavas.

Affiliated with Himachal Pradesh University, Shimla, the college imparts education to rural youth in disciplines such as Humanities and Commerce at the undergraduate level. Admission to B.A. and B.Com. first semester (three-year degree courses under NEP) is conducted as per HP University and HP Government norms. With “*Tamso Ma Jyotirgamaya*” as its motto, the college boasts a team of highly qualified, dedicated, and innovative teachers. In just eight years, the institution has excelled in academics, culture, sports, and co-curricular activities, emerging as one of the leading centres of higher learning in Himachal Pradesh.

The college has a well-equipped Information Technology laboratory with 21 computers and broadband internet connectivity, accessible to students during working hours. Its spacious library houses 3300 books across various subjects, subscribes to regional and national newspapers, quarterly and monthly magazines, and several journals.

To achieve excellence and make a high impact locally and globally, the college has established a Career Guidance and Counselling Cell that informs students about opportunities in the competitive world. Facilities include a modern computer laboratory with internet, photocopier, scanner, and printer for student use. The college hosts one unit under the National Service Scheme (NSS), which inculcates social and moral values such as leadership, responsibility, and dignity of labour among volunteers. To spread awareness about HIV/AIDS among youth and society, the Red Ribbon Club is actively functioning. A unit of Rovers and Rangers also contributes commendably by instilling the spirit of service above self. To spread the awareness about road safety, a dedicated road safety club has been established.

Sports and games are given equal importance, providing students opportunities to excel beyond academics. The Parent-Teacher Association (PTA) is an integral part of the institution, acting as a bridge between the college administration and the local community for overall development. The college also has a democratically elected College Students’ Central Association (CSCA).

Efforts are underway to establish a UGC Resource Centre, which will provide students with enhanced internet access for career advancement. An Internal Quality Assurance Cell (IQAC) has been set up to promote quality education and infrastructure in line with UGC and NAAC requirements. The Alumni Association of former students is also active, contributing meaningfully to the community and the college.

Professional courses like BBA, BCA, B. Sc. in Data Science & B. Sc in AI will commence from the current academic session 2026-27.

VISION

The college is committed to nurturing well-rounded individuals by imparting a strong value-based education, instilling a deep sense of patriotism, and promoting social responsibility. The college aims to offer a national platform and create a holistic, dynamic learning environment that cultivates competitive skills, enhances both mental and spiritual well-being, sharpens clarity of thought, and elevates the character and overall happiness of its students.

MISSION

The motto of the College “*Tamso Ma Jyotir Gamaya*” (way to light from darkness) rightly suggests that college has been striving all through to help students, move forward on the path of progress and

development, create a student friendly academic environment, provide quality education in order to make them competent, self-reliant and responsible society builders. College also intends to provide clean or pollution free environment and best infrastructure for excellence in education by encouraging students to participate in co-curricular activities, providing skill based education, improving communication skills of the students for personality development and reaching out to society through various social service schemes and implementation of govt. policies designed for the purpose from time to time.

B.SC. DATA SCIENCE (DS) AND B.SC. ON ARTIFICIAL INTELLIGENCE (AI):

Artificial Intelligence is amongst the hottest fields of the 21st century that will impact all segments of daily life by 2025. The recent development in Artificial Intelligence is bringing significant social and economic benefits to the world. As our daily lives are seamlessly integrating more and more data-driven applications, the role of data analytics and artificial intelligence becomes increasingly important in transforming organizations, industries and society in general.

Using Artificial Intelligence techniques digital machines can analyse and learn from big datasets and discover more efficient ways to do complex tasks; thereby, making intelligent decisions with much higher accuracy and speed than human beings. Thus, the need of the hour is to integrate the power of Artificial Intelligence to every business to boost the global economy by transforming business models across all sectors like science, engineering, banking, sales, finance, marketing, construction, manufacturing, healthcare, travel, hospitality, leisure, environmental monitoring, logistics etc. Hence, the field of Artificial Intelligence has a potential to employ a large quantum of human resources and serve countries all over the globe.

As per World Economic Forum, Data Scientists and Analysts will become the number one emerging role in the world and thus will find job opportunities which are expected to rise appreciably in the years to come. So, academic institutions must take timely initiatives to offer academic programmes

GOVT. DEGREE COLLEGE DHANETA, DISTRICT HAMIRPUR (H. P.)

to equip aspirants with requisite job-oriented skills and training and thereby contribute to meet the global industrial demand of workforce and diversity in AI and Data Science.

Further, in higher education institutions, there is an urgent need for increased collaboration between industry and academia, through creation of channels of communication between faculty and industry, to promote exchange of ideas and expertise. Various avenues of collaboration need to be explored, including workshops, incentives for guest lectures by professionals and institutional arrangements for regular design of courses/curricula in collaboration with the Private Sector Units (PSU).

After the completion of this course, the students may have career opportunities with exceptional prospective fields of healthcare, business, e-Commerce, social networking companies, climatology, biotechnology, genetics and other important areas.

The total number of seats in B.Sc. in Data Science and B.Sc. in AI course is 60 distributed as under:

ROAD SAFETY CLUB

The Road Safety Club at GDC Dhaneta is dedicated to promoting awareness about safe and responsible road use among students and the local community. The Club organizes seminars, workshops, and awareness rallies to highlight the importance of traffic rules, accident prevention, and disciplined driving. Its members actively campaign for the use of helmets and seatbelts, discourage mobile phone usage while driving, and encourage a culture of safety and responsibility.

**Students Participating in a Painting Competition organized by Road Safety Club
RED RIBBON CLUB**

The club aims at launching an exhaustive campaign against **AIDS**. It educates and sensitizes the college youth and general public about **AIDS**. Any college student can get registered with this club.

**One-Day Seminar on “Drug Abuse Leading to HIV/AIDS”
CAREER GUIDANCE, COUNSELING AND PLACEMENT CELL**

The ‘Career Guidance, Counseling and Placement Cell’ has been constituted in the college with an aim to prepare the students for the job or self-reliance. The cell consists of a core committee and various faculty wise sub-committees which undertake the following activities from time to time.

1. Sub-Committee organizes tutorials, competitions, and group-discussion. Interactive sessions etc. to raise the level of the inherent capabilities of the students.

GOVT. DEGREE COLLEGE DHANETA, DISTRICT HAMIRPUR (H. P.)

2. In order to enhance the communication skills and soft skills of the student, the various activities make the students confident enough to face the interview/group discussions.
3. Students are given awareness about the prospectus of higher education in their future. They are also made aware of the job opportunities available in their stream/subject in the market/industry. The cell provides the placement opportunities to the students by facilitating the various companies/private firms for organizing the placement drives/tests/interviews etc.

One Day Training Organized by Career Guidance & Placement Cell

TUTORIAL GROUP

After the admission, every student is assigned to a specific tutorial group convened by a faculty member. For the convenience of the students, every group organizes at least one or two meetings every month, during which the tutor gives special attention to the students by providing necessary guidance, increasing general awareness and addressing their academic as well as personal problems.

COLLEGE MAGAZINE "DHANASHRI"

To nourish the creativity among the students, the college magazine **DHANASHRI** is published every year. It has many sections like Hindi, English, Pahari, Commerce and Economic Planning. One student editor for each section is also appointed in the beginning of academic session.

INTERNAL QUALITY ASSURANCE CELL(IQAC)

For the quality improvement of higher education, the college has established an Internal Quality Assurance Cell (IQAC). From time to time, all important decisions pertaining to the betterment of the institution as well as the **STUDENTS ARE TAKEN BY THE MEMBERS OF THE IQAC.**

ANNUAL PRIZE DISTRIBUTION FUNCTION

Annual Prize Distribution Function of the college is organized in the month of February/March every year. In this function prizes are given away to the students achieving distinctions at College/ University/ Inter-University Level, NSS, House exams, University exams, Sports, and other co-curricular activities.
