INTERNATIONAL CONFERENCE ON NATURAL DISASTER, CLIMATE CHANGE & SUBSTANCE ABUSE: CHALLENGES AND INNOVATIVE SOLUTIONS

November 27 and 28, 2026

Organised by:

Internal Quality Assurance Cell (IQAC)

GOVT. DEGREE COLLEGE DHANETA, DISTRICT HAMIRPUR HIMACHAL PRADESH, INDIA -177041

In collaboration with

DEPARTMENT OF ECONOMICS, SCHOOL OF SOCIAL SCIENCES, CENTRAL UNIVERSITY OF HIMACHAL PRADESH DEHRA, DISTRICT KANGRA HIMACHAL PRADESH, INDIA

About The Conference

The Himalayan region is facing increasing threats from earthquakes, landslides, flash floods, cloudbursts, forest fires, and other extreme weather events. Climate change is altering temperature and precipitation patterns, water availability, ecosystems, biodiversity, and human health. Simultaneously, substance abuse particularly among the youth remains a serious concern for public health and society. This international, multidisciplinary conference will bring together academics, researchers, students, professionals, and experts to exchange evidence, share experiences, and explore practical, inclusive, and sustainable solutions. It will also examine how artificial intelligence, machine learning, data science, GIS, remote sensing, IoT, and big data analytics can assist in forecasting risks, monitoring the climate, responding to emergencies, and supporting technology-driven prevention efforts.

Sub-Themes of Conference

Himalayan Natural Disasters and Emerging Risks
Causes and Impacts of Natural Disasters
Disaster Risk Reduction and Preparedness
Emergency Response and Post-Disaster Recovery
Community Resilience and Disaster Management
Government and Community Roles in Disaster Mitigation
Climate Change and Extreme Weather Events
Climate Change Impacts on Himalayan Ecosystems
Climate Change, Agriculture and Livelihoods
Climate Change Adaptation and Mitigation
Climate Resilience in Mountain Communities
Climate Policies and Sustainable Development
Substance Abuse among Youth: Trends and Challenges
Social and Economic Impacts of Substance Abuse
Digital Media for Substance Abuse Awareness
Youth Culture, Peer Pressure and Addiction
Community-Based Prevention and Awareness
Economic Consequences of Natural Disasters
Disaster Impacts on Tourism, Agriculture and Trade
Business Continuity and Disaster Risk Management
Natural Disasters and Climate Change in Literature
Trauma, Memory, Loss and Resilience
Ecological Awareness in Literary Narratives
Literature, Environmental Ethics and Conservation
Traditional Ecological Knowledge and Disaster Resilience
Indian Knowledge Systems and Environmental Conservation
Disaster and Climate Change Education
Curriculum Development for Environmental Awareness
Religious Scriptures and Environmental Ethics
Nature, Human Conduct and Ecological Responsibility
Religious Perspectives on Natural Disasters
Sacred Texts and Sustainable Resource Management
Climate Change and Religious Teachings

About the Host Institution

Government Degree College Dhaneta is a government undergraduate institution located in Dhaneta, District Hamirpur, Himachal Pradesh Pin Code: 177041. The college is affiliated with Himachal Pradesh University, Shimla, and primarily caters to students from rural areas. It offers undergraduate programmes in Arts and Commerce, along with courses in emerging and professional fields such as Artificial Intelligence, Data Science, and Bachelor of Computer Applications (BCA). The institution is committed to promoting academic excellence, digital literacy, skill development, student welfare, and community engagement.
