

(3.7) Laboratories

(Total score-20)

The college is well-equipped with laboratories to provide students with practical exposure and hands-on learning experiences. The laboratories include Physics, Chemistry, Botany, Zoology, Geography, Music lab (Vocal) & Instrumental, B.Voc (Retail and Tourism), BCA and I.T. Laboratories. The college ensures the effective and optimal utilization of its laboratory infrastructure to provide students with practical exposure and hands-on learning experiences. Well-equipped laboratories are available in all departments to support the curriculum. Practical sessions are conducted as per the academic timetable under the supervision of qualified faculty members, ensuring that students gain the necessary technical competence and confidence. The equipment and instruments are properly maintained, calibrated periodically, and upgraded as needed to keep pace with technological advancements. Safety protocols are strictly implemented to ensure a secure learning environment. Faculty and laboratory staffs play a key role in guiding students on the correct usage and care of equipment. Thus, the available lab infrastructure significantly contributes to enhancing the quality of education and fostering innovation among students.

3.7.1. Laboratories with adequate equipment according to syllabi (score-10) - **Yes**

3.7.2. Usage of available lab infrastructure (score-10) - **100%**

PHYSICS LAB I & II

CHEMISTRY LAB I AND II

ZOOLOGY LAB

BOTANY LAB

GEOGRAPHY LAB

I.T. LAB

MUSIC LAB (VOCAL)

**MUSIC LAB
(INSTRUMENTAL)**

BCA LAB

B.VOC (HOSPITALITY & TOURISM)LAB

B.VOC(RETAIL MANAGEMENT) LAB
