Q3. USES OF ELECTRICITY

Electricity is one of great wonder of science. It is boon for the modern man. It has become essential part of our life. We cannot imagine world without electricity. Electricity has changed the life of man. We need it all time. We need electric fans, coolers and electric heaters to protect us from changed weather day by day. It lights up our houses in night so we are able to see all things. In short no house can get on with electricity. It also help to remove strains etc and drama. Without electricity our modern life is not useful it becomes off and nothing can done in them. All the production

process with electricity. In fact, modern man suffer huge losses when there is power failure.

Electricity is the means of entertainment like Television, radio with electricity. Without electricity it becomes square dance only. The spread of knowledge also possible by electricity through mobile. Books can be read with electricity from which newspaper are printed.

Electricity helps for curing disease also. Many machines in large hospitals are run with electricity. Electricity make human life very easy and comfortable. It is like boon of god for human life.

Q4. MONKEY AND DOLPHIN.

One day long ago, some sailor were sea in their sailing. One of them brought the fat monkey along for the long journey. When they were for sea at sea, it would swim like other ship. Everyone felt into the sea, and the monkey was that he would drown. Suddenly a dolphin appeared and picked him up.

They soon reached the island and the monkey came down from the dolphin. The dolphin asked the monkey, "Do you know this place?" The monkey said, "Yes, in fact the thing of the island is my best friend. In your house

Q5. Science and Rhyme:-

1. Apple of one's eye: Being cherished more than otherwise.
My granddaughter is the apple of my eye; said the old man.
2. Once in a blue moon: something that happens very rarely.
Once in a blue moon, Halley's comet is seen after 76 years.
3. Going on the rake: something done speed into great.
Our mother teacher is absent and adjustment of games found it just like going on the rake.
4. Can't judge a book by its cover: cannot judge something primarily on appearance.
The candidate did not look very intelligent, but you can't judge book by its

"I am actually a prince?"

Knowing that no one lived on island, the dolphin said, "Well, well are you not prince? How you can live a king!" The monkey asked, "How can I be a king?"

As the dolphin started swimming away, he came back, "That is only if you only venture on the island, you will naturally be the king!"

Next, those who like sand sweat may end up in trouble.
