### **FOOD PRODUCTION CLUB: “GOURMET”**

*“No one is born a great chef, one learns by doing”  
Unleashing the chef in you, taking food production to the next level*

*[Handwritten signatures]*

The motto of our Kitchen club is to drive and inspire students to garner sustainable food practices through their skills and encourage them to fulfil their dreams and achieve higher goals in professional life. The kitchen club is a great experience where we get and explore learning. It is a platform where students learn different techniques and different varieties of dishes from appetizers to desserts including the presentation of dishes. It helps them to bring out their creativity, boost their self esteem and give them confidence to work as team. It provides them a good atmosphere where they can learn how to plan things and enhance their skills. Each student gets equal opportunity to work and learn as a team. Every student in this team is expected to follow some basic rules of the kitchen which includes punctuality, proper grooming and to maintain hygiene standards. They should have full commitment and dedication to their work. It is a collective effort of the students where they can get their work acknowledged.
